PROFESSIONAL EXPERIENCE

site Engineer

IEyassu Mengesha General Contractor | 2015-2022

Served as a site engineer for Eyassu Mengesha General Contractor, overseeing construction projects and ensuring successful project execution. Collaborated with cross-functional teams to coordinate project activities and meet project deadlines. Monitored construction progress, quality, and safety standards to ensure compliance with regulations. Managed project documentation, including blueprints, permits, and progress reports. Communicated regularly with clients, contractors, and stakeholders to provide updates on project status and address any issues or concerns.

Personal Portfolio Website

- Developed a personal portfolio website to showcase skills, projects, and resume.
- Implemented responsive design principles for optimal viewing on various devices.
- Utilized HTML, CSS, and JavaScript to create a clean and user-friendly interface.
- Contributions to Open Source Projects in zero-to-mastery online learning platform
